

Što je *bullying*

"I used to be known as a confident high-flyer, but since he took over I know my confidence has been undermined and I feel under stress at work. He just picks on me constantly; it seems nothing I ever do is right. I am just always depressed, both at work and at home now. It really can't go on, but what can I do? I need this job."

- Strong management vs. bullying
- Konstantan proces
- Omalovažavanje
- Osjećaj manje vrijednosti

- Svjesni bullying
- Nesvjesni bullying
- Žrtvama je potpuno svejedno!
- Zlostavljanje s namjerom

- Dati otkaz?
- Pomiriti se sa zlostavljanjem
- Suprotstaviti se

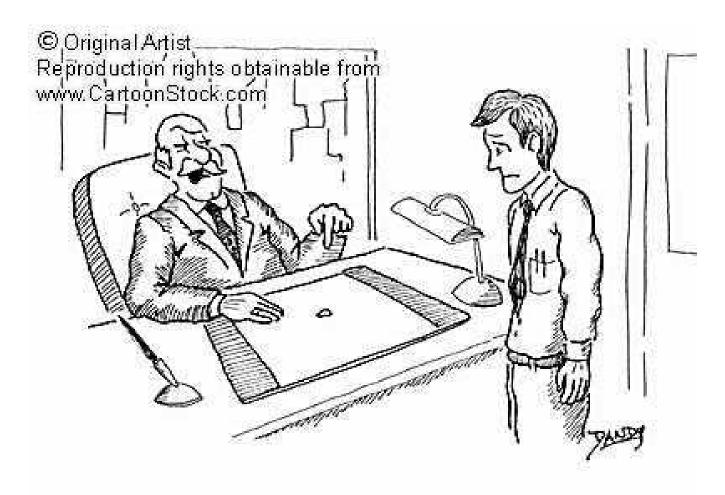

- anksioznost
- plačljivost
- depresija
- suicidalne pomisli

Fizičke

- gubitak apetita
- osjećaj slabosti
- glavobolja
- umor

Zahvaljujemo na pozornosti!
